Dear Parents:

Thank you for your interest in the Heid Yamaha Music School. The Yamaha Music Education System is a comprehensive, keyboard-based music education program founded on the belief that every child has a love for music and inherent musical abilities. These unique classes help students grow to love and enjoy all aspects of the music experience.

- **Register as soon as possible** as classes are filled in the order that registration forms and payments are received. You are not registered until we have received the signed registration form with the required payment.

- **Classes will begin the last week of August** and all classes are held at Heid Music, 308 E. College Avenue, in downtown Appleton.
- **Please be prepared to have a piano or keyboard available** at home for practice. Contact Heid in advance to arrange to rent a piano or keyboard from us if needed.
