GUIDELINES: Within one to two weeks of our receiving this application we will notify you of the decision. Because of the numerous requests, piano bank assistance is granted first to those in the most compelling situations. Assistance is for children residing in Northeast and Central Wisconsin. Pianos on loan will be subject to inventory available. For lesson assistance, families must realize this is a short-term solution and the student must be able to continue when the Piano Bank dollars are finished. Please note that the piano bank dollars are to be used for lessons and not given as cash. Monies will be distributed to the teacher monthly. Monthly reports by the teacher must be presented to Heid Music. Additional communication when necessary will continue throughout the assistance to make sure everything is working out to satisfaction of all. If lessons discontinue, the assistance or piano will also, without any refunds. We reserve the right to cancel at anytime due to, but not limited to the following reasons: student shows a decrease in interest in the music lessons, missed lessons, misinformation etc.

Please use this page to include information, which may assist us in evaluating your request for piano bank assistance.
