Auburndale Instrumental Music Program Lead by Jennifer Nueske

A program called 'Band Buddies' allows the students of Auburndale High School to mentor Auburndale Middle School students interested in band. This unique collaboration benefits 5th-12th graders.

"Music Education is important to me, my school, and the future of our youth because it provides opportunities that nothing else can provide. It teaches teamwork, collective effort, the importance of each individual within a group, and leadership. Students can go to an honor band and not know anyone there, but can come out with new friends because the music brings them together. Our band becomes like a family because of music." - Jennifer Nueske

Heid Music's School of the Month program aims to celebrate the great achievements of local school music programs. We greatly appreciate their community impact and want to help celebrate all that they do.
