

School of the Month

~ February 2020 ~

Oshkosh West Band

Directed by Dan Singer and Brian Wilson

The Oshkosh West bands have more than doubled in size over the last 15 years to become one of the largest in the state of Wisconsin; totaling nearly 250 band students. The west band program offers four concert bands, a jazz ensemble, a field marching band, a parade marching band, three pep bands, a competitive drumline and several small ensembles. The mission of the music department is to develop well-rounded community members through music.

An education in music uniquely prepares the whole person to become a responsible, creative and contributing member of society.

Heid Music's School of the Month program aims to celebrate the great achievements of local school music programs. We greatly appreciate their community impact and want to help celebrate all that they do.
