

School of the Month

~ MARCH 2020 ~

T. J. Walker Middle School

Directed by Brittany Sperberg

Sturgeon Bay as a community at large, is incredibly supportive of the arts. There are a plethora of festivals, concerts, artists, and musical opportunities for students to take advantage of. T.J. Walker Middle School has a large percentage of their student population enrolled in either band, choir, or Allied Arts. In 2019 an oboist made it into the WSMA Middle Level Honors Orchestra. In 2020, the school received 21 1st ratings for instrumental performances at the District Solo & Ensemble and were the recipient of a Raibrook Grant. Brittany's goal is to make a positive learning environment and create memorable musical experiences for her students. She enjoys finding ways to get students to take ownership in the classroom and celebrate challenges such as learning a new piece of music. She acknowledges that at the middle school level, students are able to accomplish so many things musically, and loves seeing the students success and growth both in and outside the band room.

Heid Music's School of the Month program aims to celebrate the great achievements of local school music programs. We greatly appreciate their community impact and want to help celebrate all that they do.
