

School of the Month

~ APRIL 2020 ~

Stoughton High School Band

Directed by Dan Schmidt

The Band program at Stoughton High School consists of two bands which meet during the school day; Concert Band and Symphonic Band. Additionally, they have a Jazz Ensemble and a marching band (Viking Marching Band) which meet primarily outside of the school day. Students in the music program also have the option of taking an AP Music Theory class. These students compose works which are performed by other SHS music students in an annual Composers' Concert. Members of the band have performed in state honors groups, UW Honors Jazz, and Winds of Wisconsin.

Music education is important - now more than ever. Music connects us to something that is greater than ourselves - it shines a light on who we are and connects us. I have been privileged to see students grow as human beings through music and hope to see that continue.

Heid Music's School of the Month program aims to celebrate the great achievements of local school music programs. We greatly appreciate their community impact and want to help celebrate all that they do.
