Freedom Middle School Band Program

Directed by Christy Delany and Casey Parker

The Freedom Middle School band program boasts a considerable number of performing opportunities for its nearly two hundred 6-8th grade students. Some unique performances that showcase the bands are the Masquerade concert in October, Freedom's Veterans Day program, a Spring concert for the veterans in King, WI; an annual 6th grade band lock-in, and several clinician experiences including the 8th grade band's trip to UW-Green Bay in conjunction with their music education department.

One of the factors that makes this program special is the cooperation between the Middle school and High school directors, Christy Delany and Casey Parker. Students benefit from this partnership by receiving lessons from a specialist on their instrument, Christy on woodwinds and Casey on brass.
